

## INTERNATIONAL RELATIONS OFFICE

Vision: students and professors standing shoulder to shoulder with their colleagues in Europe and around the world, in an equal exchange of knowledge, skills and resources

Mission: co-ordinating and assisting in the realisation of both joint and individual international projects of the members of the Network; encouraging joint projects, applying for international projects on behalf of the Network members, bridging the language and cultural barriers; offering regular information to the Network members regarding new trends in higher education in Europe and the world; establishing direct contacts with higher education institutions, first in the region, and then throughout Europe, for the purposes of creating conditions for signing bilateral agreements which are a prerequisite for staff and student mobility.
